

Nestled in the scenic rolling Ice Age Kettle Moraine countryside of Eastern Wisconsin, the Manitowoc County Historical Society is a museum of living history. Feel the heat from the blacksmith's forge, take part in one-room school lessons, and find your ancestor's name in our archives.

This 60-acre interpretive museum of local history features a Welcome Center with local history exhibits and research services and the outdoor Pinecrest Historical Village - a collection of over 25 historic buildings with period furnishings from Manitowoc County's early settlers.

Whether it's a home cooked, sit-down dinner inside the kitchen of an 1860s house, browsing through decades old school photos, or an exciting stroll through 60 acres, there is always something happening at the Manitowoc County Historical Society.

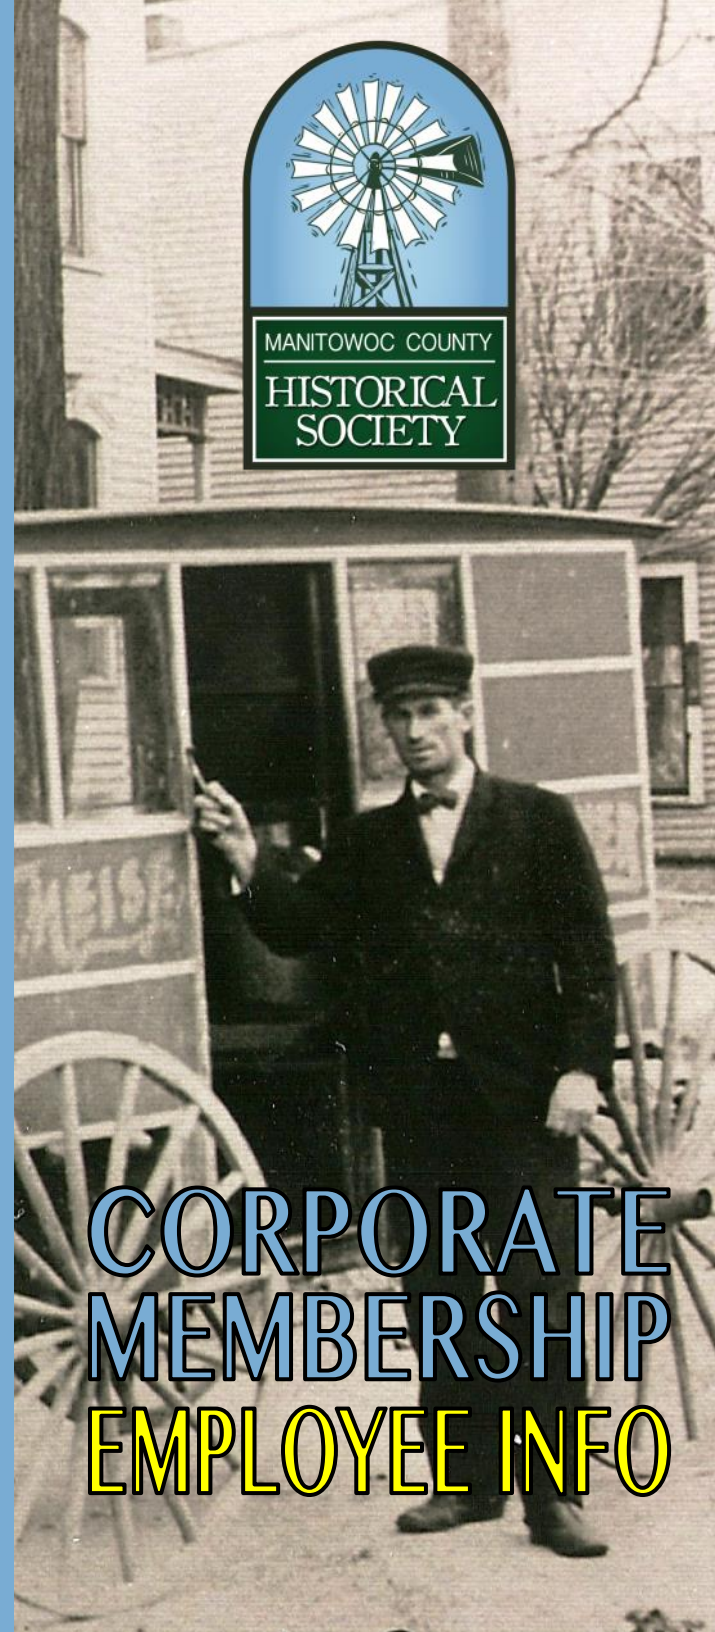

Employees of corporate members can enjoy great museum benefits!
